MANUFACTURER CERTIFICATION CONFIRMATION ANNEX

Client document | Equipment Certification Annex

Official Certificate Annex Statement

Where certification information is displayed, it relates to the specific filtration equipment or component identified and is based on verified manufacturer and/or certification-source information.

Certification marks and third-party trademarks belong to their respective owners.

RISEZIN WATER is an independent service provider and is not the manufacturer of the filtration equipment.

Upon installation, at the customer's request, this official annex with verified manufacturer certification confirmation is provided to the customer.
